

IBM Speed Mentoring Program

Where IBMers mentor students for one semester. The mentors and mentees will meet once per month and will determine the breadth of that mentorship including topics such as resume' review or interview tips. Interested students should register to be a mentee at the link below. Hopefully you will register today if you have not already!

<https://skillsbuild.chronus.com/p/p6>

Remember to use your **school provided .edu email address** to register for each activity.
