BLACK

BLACK-ON-GOLD EDUCATION

Studies show that health outcomes improve for black patients when they are treated by black health care providers.

So – do educational outcomes improve for black students when they are educated by black educators?

LET'S FIND OUT!

**Welcome to “the HBCU”
Grambling State University**

Kevin D. Sly, Ed.D.

Class is now in session!

The doctor will see you now!

LET'S GET BUSY!
